

# Intenders Circle

**That which you are reaching toward is also reaching out toward you!**

The Intenders of the Highest Good show you how to set your intention to have that which you desire come to you as easily and effortlessly as possible. We have rediscovered a simple method of empowerment that we call The Intention Process which is making all of our dreams come true. We understand that our desires are in us to be fulfilled and that our thoughts create our world. We support and help one another to become as clear as possible in our words and our thoughts so that we can live our lives to the fullest.

Anyone can do it! Just by saying your intentions each day and gathering together on a regular basis with your friends in an Intention Circle, you can change your life for the better.

The Intention Process is being used by Intenders all over the world who are bringing their lifelong dreams into reality. It is one of the simplest, most effective ways for you to put the laws of manifestation to work in your life.

We will meet on a regular basis, every Tuesday evening, beginning Tuesday, May 8th, 2012, from 6:30 PM to 8:00 PM at the Spiritual Living Center of Nashville located at 6705 Charlotte Pike, Nashville, TN 37209. The Circle is operated on a love offering basis and is facilitated by Rev. Michael Misenheimer.
